Requests sanction of Govt for the inclusion of (1) gold & silver workers by substitution of pawn brokers working in a building as items for which licence may be enforced under sec 5 Sch (VII) of the Kozhikode Municipal Regn 1933 & fees may be levied under sec 64 (VIII) of the Regulation

Submits with previous reference

Previous sanction of Govt is necessary both under sec 64 (VII) (1) and sec 57 (6) (VII) for the imposition of licence fee (tax) on the items referred above and also for framing bylaws regulating the levy of licence fee and prescribing the conditions in respect of such licences. The proposal seems to be unobjectionable

What the M' Corp now recommends is the inclusion of the two purposes mentioned in the letter among the purposes for which under sec 57 (1) (b) (VII) the lowest cut of a licence may be prescribed This requires in the first instance a rule being made by Govt under sec 228 (2) (a) read with sec 57 (1) (b) (VII) prescribing a licence for the use of any place not ~~being~~ belonging to the m'c' as a place for Gold and silver boring or for installation of power driven machinery. After such a rule is made, the m'c' can frame necessary byelaws under sec 57 (b) and ~~then~~ to prescribe the fees for such licence under rules to be made by them under sec 49 (h) read with sec 82 If this procedure is followed, there is no need to invoke ~~sec 64~~ the lowest powers under sec 64 (6) (xiii) of the Regulation

ML 60-33/12

Sir

With reference to your letter No L 4766/M1 60-33 dated 12th January 1935 in the matter of the levy of fees on power driven machinery in the City, I have the honor to state as follows -

A number of installations of power driven machinery are coming up daily in the City and it is found expedient to control them by means of the levy of a fee and it was with this view and also to augment the resources of the Municipality, that the levy was recommended

In this connection, I would recommend the inclusion of the marginally noted items for prescribing the several purposes for which the taking out of a license may be enforced under

1) Gold and Silver boiling,
2) Installation of power driven machinery in a building

Section 51 (b) (vii) of the City Municipalities Regulation, so that the Council may choose such of the items as they think necessary and suitable rules and by-laws may be framed for regulating the same

I need hardly say that the levy of fees on additional items is necessary to augment the resources of the Municipality as the expenditure is steadily rising

I request you to kindly obtain sanction of Government for the inclusion of the above items for purposes of the

(2)

levy of fees as required by Section 64 (viii) of the City Municipalities Regulation

I have the honor to be,
Sir,
Your most obedient servant,

Municipal Commissioner.

Forwarded with compliments

Honorary President
